Re: Letter of Support - Ahwatukee Farms

Dear Mr. Quentin,

The Ahwatukee Foothills Chamber of Commerce is a membership-based organization representing over 400 business, organizations and individuals in the Ahwatukee area working together to sustain a favorable business climate that enables existing and new businesses to prosper. The vision of our organization is to provide ongoing support, resources and community connections for businesses to succeed in meeting their goals to make Ahwatukee a great place to live, work and play.

With respect to your proposed development of Ahwatukee Farms to repurpose the former Ahwatukee Lakes property, the Ahwatukee Chamber would like to offer our support in principle of the project. Our organization recognizes the potential economic benefits that could result from the proposed development by creating new jobs and bringing new customers to Ahwatukee's local businesses.

The Ahwatukee Foothills Chamber of Commerce believes that a comprehensive, innovative, and sophisticated approach to economic development program is crucial to Ahwatukee's success. The Chamber also believes that such a program is best conceived through a highly cooperative and supportive partnership between the public sector and the business community.

Sincerely,
